Excellent variety and quality of work. Prices very good, the history seems real and the past comes alive.

I agree with the above and it is refreshing to see original paintings displayed at realistic prices.

Some stunning pieces, and very affordable.

Really nice painting, good prices too!

Clearly captured the places painted, excellent work, would really consider a purchase.

Awesome! I really enjoyed it.

Very inspiring work. Brought joy to my heart looking at your paintings.

Brilliant paintings! Not my sort of place to visit but glad I came.
